

f(r)iction

Kickstarter 2020 Teaser Video: Transcription

Length: 0:37

Opens with music playing in the background as we see words displayed over the spines of many issues of F(r)iction Magazine:

CAPTION: Reading is a portal to worlds unknown...”

The video then transitions to the cover art from F(r)iction #14. As it focuses in on the art:

CAPTION: To distant futures...

Artwork of a Kraken rising up and destroying a ship is shown in the background.

CAPTION: Secrets drowned in darkness...

Music continues to play in the background as we transition to an image of woman standing with her arms crossed across her chest, face half covered by a mask, with origami birds behind her.

CAPTION: Scandalous truths...

The video then transitions to someone's hands flipping through the pages of a comic in F(r)iction as these words show:

CAPTION: And unforgettable fantasies.

The hands then closes the issue of F(r)iction and place it on the shelf with other copies of F(r)iction.

CAPTION: Where will a year of *F(r)iction* take you?

Closes with symbols from the current year's issues:

CAPTION: *Summer 2020, Issue 16: Monsters*
Fall 2020, Issue 17: Memory
Spring 2021, Issue 18: Legacy

Above these symbols we see the words:

CAPTION: The Kickstarter is Coming

Music continues to play as the screen goes white.
